## About Operation Sweet Tooth

Meet Christina

Operation Sweet Tooth is a non-profit, 501(c)3 organization created in memory for the life of Christina Marie Latini. Christina unexpectedly passed away on May 6, 2016 and she was only 8 years old. To honor her memory, the mission of Operation Sweet Tooth is to keep her spirit alive by providing hope and joy to children who may be sick, less fortunate, homeless, or need their spirits lifted. The goal is to provide toys, gifts and items of need through this 8K and 2 mile walk in hope that we can have a positive impact and experience on their lives.

# A Message from The Latinis

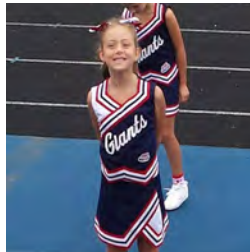

On the day before she was to receive her Holy Communion, Friday, May 6th, 2016, we lost our daughter, Christina, to a disease called Myocarditis. We have never recovered from this loss, and I am sure we never will. As a parent, losing a child is unfathomable and every day we mourn our baby and question how this could happen to her. To help our grieving process and keep Christina's spirit alive, we created a non-profit organization called **Operation Sweet Tooth**. Our mission is to honor Christina by **supporting the youth of our community**. Our goal is to raise funds, toys, personal items, and school supplies for the children in our community who are sick, impoverished, displaced, homeless, or just need their spirits lifted. It's of great importance that we turn **our pain into purpose**, and support children in their times of need, reminding them there are strangers out there who do care.

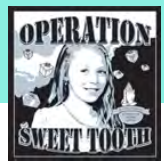

Each year, we are looking to organize quarterly initiatives that support Operation Sweet Tooth. This is the **3rd Annual In Loving Memory of Christina Latini 8K Run and 2 Mile Walk to benefit Operation Sweet Tooth**. Our hope is this race will further drive our efforts to help provide for the future of our local children. The outpouring of support we have received for Operation Sweet Tooth has been tremendous. Through our first Toy Drive in December 2016, we were able to **raise nearly 3,000 toys and gifts spanning across six different states** that were distributed to children in orphanages, hospitals, behavioral homes, etc. We continued our efforts in the spring by hosting an Easter Basket Drive that benefitted the Church of God Orphanage. Most recently, we held a Back To School Supply drive benefitting Communities in Schools Charlotte and Classroom Central. It's through God's Grace and the community's generosity that we have been able to touch so many lives and muster up the strength we never thought was possible.

We know that there are so many organizations to choose from when deciding to sponsor, especially with the amount of races coming up this spring. We **hope you consider sponsoring our race, to honor a little girl who was full of life until her last breath**, as well as support Operation Sweet Tooth to assist children in our community who are less fortunate. With Heartfelt Thanks-
